

'ALMOST HAUNTED' CHRISTMAS PARTY

A ghostly vessel looms out of the mist of the Thames and as you step aboard you and your colleagues are thrilled and entertained by a unique blend of the paranormal with the historic atmosphere of an old sailing ship. Fusing psychological illusion, with spine-chilling, seafaring tales, psychic entertainers Darren Stanton & Ian Timothy will enthrall your company. With visions of the future and connections with the past you even get the chance to act as medium as we take you on a journey into the unknown.

- * We can seat up to 42 guests & cruise with 48 guests. We also cater for larger groups on alternative vessels. Static option available @ St Katharine Docks.
- * Catering by Riverside Food and Drink. We recommend Christmas seated dinner or hot fork buffet.
- * Entertainment can include: palmistry, tarot, mentalism routines, ghost stories, dowsing, seances, past life regression, and more!
- * Tower Bridge opens exclusively for you and your guests! - is the bridge haunted too?
